National Capital Region Transport Corporation (NCRTC) – a Joint venture of Govt of India and participating State Government of Delhi, Haryana, Rajasthan and U.P, under the administrative control of Ministry of Housing and Urban Affairs, is mandated for implementing the Regional Rapid Transit System (RRTS) in National Capital Region (NCR), ensuring a balanced and sustainable urban development through better connectivity and access. The RRTS will be a new, dedicated, high speed, rail based, high capacity, comfortable state of art, world class commuter service connecting regional nodes in NCR. It will provide reliable, high frequency, point to point and safe regional travel at high speed along dedicated pathway for relatively longer distance with fewer stops and at higher speed.

The technology and system would ensure the convenience of quality last mile connectivity, addressing the needs of all categories of travelers on the network. The corridors being developed under RRTS Phase-1 are **Delhi -Ghaziabad- Meerut, Delhi- Gurugram- SNB - Alwar** and **Delhi - Panipat**. Once operational, RRTS will be the fastest, the most comfortable and the safest mode of travel in the NCR.

These projects will not only provide a vital new transport infrastructure backbone to the region but also act as a catalyst for development of sub urban centers, providing jobs in the Indian economy and relieving congestion in main cities through faster reliable connections. This high-profile project with high performing teams offers a once in a lifetime opportunity to make a significant and lasting contribution to the life of NCR and the country as a whole. The diversity of individuals and skills we require to complete this task is simply huge. Further, the learning opportunities in an organization that is at its inflexion point of initiating some of the largest infrastructure projects in this country will be immense. The complexity of the project and need to draw upon international learning will offer an accelerated opportunity for skill development of talented and motivated individuals that will further lead to exciting careers prospects for the future. Our motto “**Gati se Pragati**”, applies to both the project and the motivated team that will embark on this journey with us.

To be part of the journey of NCRTC, interested and eligible candidates can apply for the following Post: -

These projects will not only provide a vital new transport infrastructure backbone to the region but also act as a catalyst for development of sub urban centers, providing jobs in the Indian economy and relieving congestion in main cities through faster reliable connections. This high-profile project with high performing teams offers a once in a lifetime opportunity to make a significant and lasting contribution to the life of NCR and the country as a whole. The diversity of individuals and skills we require to complete this task is simply huge. Further, the learning opportunities in an organization that is at its inflexion point of initiating some of the largest infrastructure projects in this country will be immense. The complexity of the project and need to draw upon international learning will offer an accelerated opportunity for skill development of talented and motivated individuals that will further lead to exciting careers prospects for the future. Our motto “**Gati se Pragati**”, applies to both the project and the motivated team that will embark on this journey with us.
