

OPPORTUNITY TO BE PART OF INDÉ

Integrated Design (www.integrateddesign.org) a research-based planning and design practice focused on curating sustainable human and natural habitats is looking for a **Urban or and Environmental Planner (early to mid career)** to work on its action research in the urban sector. In particular, the applicant is expected to work on research at the intersection of urbanisation-cities-planning, climate change and other socio-ecological systems.

SEEKING URBAN / ENVIRONMENTAL PLANNER

The candidate should be willing to engage in fairly radical ways of thinking and open to non-conventional planning frameworks. Proven ability for independent research and articulation is essential.

Eligibility / Requirements

1. Bachelor's in Architecture / Planning and Master's in Urban Regional Planning / Environmental Planning
2. Ability to conduct extensive secondary research, primary field work and writing skills are essential.

Preference

1. 2-8 years of professional experience.
2. With additional training or formal education in Public Policy
3. Candidates with at least spoken knowledge of Kannada and Tamil.

Last date to apply - 27th September, 2024
